

## WHAT IS *POP TAB PANDEMONIUM?*

- ♥ Ronald McDonald House Charities (RMHC) invites local schools of all levels to participate in “Pop Tab Pandemonium.” The program can be used to teach classes the principles of philanthropy, as well as basic math and estimating skills. We have hand-outs and work sheets available for interested teachers.
- ♥ Each school must submit an official Registration Form to participate in the contest. Schools are welcome to sign up through **October 29, 2010**. In an effort to support the ideals of fairness and following rules, *no exceptions or extensions will be allowed.*
- ♥ Participating schools will collect aluminum can tabs to be recycled. Tabs can be delivered to the house any day between 8:30 am and 5:30 pm.
- ♥ The contest will run from October 1, 2010 through April 22, 2011.
- ♥ We will have **two** categories of winners. Winners will be announced in early May 2011.
  - ♥ The school that collects the most pop tabs by weight.
  - ♥ The school that collects the most tabs per pupil.

### HOW WILL POP TAB PANDEMONIUM HELP RMHC?

- ♥ Approximately 1490 pop tabs make one pound and it all adds up! One pound (equal to one quart size zip-top baggie) raises \$.70 for RMHC – every pound helps!
- ♥ 125 pounds helps one family stay one night at our House.
- ♥ 150 pounds pays for the electricity for one day at the House.
- ♥ More than \$8,000 per year is raised for the House through pop tab recycling.
