

# PULL FOR THE HOUSE!

Every day, the Ronald McDonald House Charities of Southern Arizona provides a “Home Away from Home” for families of children facing serious illness and injury. Our recycling program serves as a significant fundraising effort, enabling us to fulfill our mission of serving families in need.

We collect and recycle aluminum can tabs, using the funds raised to support the operations of our House.

Drop off your tabs to the RMHC House at 2155 E Allen Rd, Tucson, AZ 85719 any day of the week 8:00am-6:00pm. We ask that you bring only the tabs, as we are unable to accept the full cans due to storage and sanitary considerations.

Remember, ***Every Tab Counts!***
