

Service Projects

Helping charities in the ways they need help is important. Here are projects that we have found work well for our House and RMH families. If you have a different service project idea we would love to hear about it before you plan it out!

KITS

Kits are a fun project for your group to shop for and put together. Many things can be found at discount stores, including clear bags.

DIAPER CAKES

Diaper cakes are a wonderful gift for new parents when they are able to take their babies home.

Find instructions at: <https://bit.ly/MakeADiaperCake>

SPECIAL TREATS

Little treats presented in fun ways make families feel special. Comfy socks rolled into cupcake shapes with a nail polish topper or baby diapers, onesies, or washcloths wrapped around baby care items are some ideas.

Please do not open pacifiers or teethingers.

RESTRICTIONS:

- Due to our infection control policy and to protect the privacy of our families, we do not allow groups or individuals to personally distribute gifts.
- Donations are distributed by House staff.
- All donated items should be brand new and in their original packaging.
- Toys should not be wrapped as presents.
- While families appreciate messages of hope and inspiration, please refrain from including religious messages.
